Allowable Claims:

Method Claims 1-21, 32, and 33 are now allowable.

Non-Elected Claims/Rejoinder:

Product claims 22-31 and 34 would not appear to be rejoinable with method claims 1-21, 32, and 33. Rejoinder requires that applicants chose the product claims first upon an election of a Group for restriction. Applicants elected the process which thus negates their right to rejoin Groups I and II. Note that the examiner also indicated on page 2 of his 4/8/08 restriction requirement (under "note" that rejoinder requires that applicants first pick the product claims. They did not do so). See MPEP 821.04. Finally, applicants are respectfully requested to CANCEL non-elected claims 22-31 and 34 to place this application in final condition for allowance.
